Headteacher's Surgery

Every Thursday between 9-9.30am
No appointments needed

Nursery

Up, up and away in Nursery! We have been talking about where we would like to go in a hot air balloon. We love going outside for PE- getting ready for Sports Day! We are working hard with our numbers- making sure they are not back to front.

Class 1

We have been sorting using 2 or 3 criterion this week in maths. We all seem to be Super Sorters in Class 1. We have designed our model vehicles as part of our transport topic, which we will be making over the next couple of weeks. We are also practising working more independently to make sure we are all ready for Years 1 and 2.

Class 2

Mrs. Whalen is extremely proud of how well we all worked for the tests and Class 2 had a lovely treat afternoon last Wednesday with lots of yummy goodies on the field. We are starting our story writing with a Pirate adventure theme. Year 2 have done some very interesting presentations about hobbies and their interests too.

Class 3

A big well done to Class 3 for completing their tests so well! We are all glad that they are over and very much enjoyed our celebration party on Friday afternoon. This week we are getting back into our normal routine. We are doing an investigation on magnetic objects in Science and we are starting our new topic on the local area.

Class 4

Congratulations to all of the children for working so hard on the tests. I am very proud of them. This week we are starting work on myths. Will our heroes defeat the mythical beasts? We are discussing the likelihood of particular events in maths. I am certain that they will get it.

Class 5

I can't believe that test week arrived – September seems like yesterday! They are a wonderful group and I couldn't be more pleased with how calm and confident they were. All that hard work has definitely paid off - it was our turn to shine and we did just that! Our teddies had a great picnic to celebrate success.

Good luck to our netball team in Cardiff next week. I hope they can conclude an exceptional year with a victory at the National Primary School Championships. Thank you to everybody who has helped, sponsored and supported our journey to the finals.

Dwysan, Amy, Martha, Imogen, Madison, Evan, Maisie and Samuel – YOU ROCK!

MRS. MORRIS HAS BEEN BUSY AGAIN!

Mrs. Morris has been crocheting again. This time it's blue forget-me-not flowers, which you may have already seen staff wearing. She is selling them for £2 each, in aid of Alzheimer Research. Please see a member of staff to buy one.

Summer Fair

Letters were sent home last week from the Friends of Madras, with all the dates that you will need regarding the Summer Fair. A copy is also on the website.
