

Pupil Friendly School Development Plan 2023-2024

Present Position: We are still working hard on the Curriculum for Wales across and ensuring that we still have Well-being as a main priority, we need to continue to support you, not just with schoolwork but with your emotions too.

Target	What will it look like?	How can you help?	Who is going to check we are on target?	Review
1. To develop learner's Welsh Language Skills throughout school	Since COVID we have noticed that everyone's Welsh skills are not as good as they were. Therefore, we are going to spend this year getting them back to the level they were.	Using as much Welsh as you can in classrooms and around school. Concentrate in your Welsh Lessons but also in your Helpwr Heddiw Sessions.	Your teachers will tell me (Mrs Macey) how you are doing. Miss Kempster will also be telling me through the Criw Cymraeg.	Summer 2024
2. To make our outdoor learning even better for everyone.	Everyone will have more opportunities to take part in outdoor learning. This will not just be through Forest Schools but also part of your class learning. More staff will be trained in Forest Schools.	By making sure that you have the correct clothing on the days you have Outdoor Learning. Taking part in all activities that are offered to you.	Myself (Mrs Macey) will monitor this area, along with your classteachers.	Summer 2024
3. For you to understand what you are good at and how to make it even better.	We will be working with you to help you understand how to improve your work and move your learning on to the next steps. Staff will help you understand how skills can be broken up and build on to make them even better.	By listening to staff and thinking about what you are already good at and how you get be even better.	Myself (Mrs Macey), Mrs Whalen and Mrs Jarvis will be checking how well you are doing in this area.	Summer 2024
4. To ensure that we still have a strong focus on Well-being	All pupils will have access to extra help with understanding their feelings and being able to express them in a helpful way. This maybe as a whole class or on a one to one basis.	We need you to join in with the My Happy Mind and Circle Time sessions. Talk to adults about when you are unsure of your feelings.	Mrs Jarvis and myself (Mrs Macey) will check to make sure that the sessions are happening and how you are getting on. Mrs Jarvis will also talk to individual pupils.	Summer 2024
