Notes from Recent School Council Meeting

How we feel about the new term:

We are excited for BeatBall and the Eisteddfodd.

So far we have loved the Rugby Tournament and sign language lesson.

Our topic on Dragons is really good.

We are hoping for another football tournament!

Current Projects

We looked at the new school logo. We made some suggestions about the design.

Lunchtime review of current meals on offer. Survey discussed and feedback given.

Pupil questions: Can we have crisps at break? Can we have an afternoon play? Can we have a box of activities in the hall for wet play? – classes on a rota?

We are going to monitor Corridor noise with a SC Rota

Manners book counted – heroes to be given out in service to children with most names in book.

Action Needed before the next meeting
