Summer Term 1 2024

April - May

Nursery

Our topic is

How does your garden grow?

Pupil Voice - Bring your favourite book to school.

Over the next 7 weeks, each child will have the chance to bring their favourite book to school. They will tell the class all about it and why it is their favourite story.

Science and Technology

Using iPads to take photos to create Pic collages to record individual and group observations.

Access CBeebies/ Crickweb and Topmarks websites to consolidate skills in other areas.

Our environment & living things

Planting seeds

Life cycle -butterfly & frog

Habitat for minibeasts

Language, Literacy and Communication

- Telling News -speaking clearly
- Discussion of observations
- Listening to others tell their news
- Listening to stories / Re telling stories
